

## A Note To Parents

Dear Parent,

Kudos to you!!!.. because ...

For the past 17-18 years:

- You have been a supportive parent.
- You have encouraged your child.
- You have been an advocate for your child.
- You have "helped" with homework, projects, increasing his/her GPA, studying for SATs and college boards.
- You have cheered your child on in sports and educational activities.
- You have shared in your child's successes and disappointments.
- You have nursed your child through illnesses and broken bones and broken hearts.
- You have sweated through the college entrance process together.
- You have worked hard to instill self-esteem and good values.
- You have been diligently preparing your child for "the future".

### **Now "the future" is here!**

Are YOU ready?

Let the personal college coaches from Lattitude 4 U help you gracefully wean yourself from your young adults as they embark on one of the greatest experiences of their lives...the opportunity to show you and themselves that all your love and hard work are paying off. Let the personal college coaches from Lattitude 4 U help with your concerns about letting your children go. You have given your young adults many tools for success. Your children are young adults now and need the chance to become successfully independent as they are preparing for their future. Being successfully independent is vital for quality of life for all of you. Let the personal college coaches from Lattitude 4 U ease with that transition.

Give us a call now and set up a complimentary consultation that will help set your minds at ease as you both prepare for this new endeavor!
